August 2017

2017 Forest Brook Homeowner's Association Board of Directors

President Gary Graham	Vice-President Steve Kros	Secretary Alex Reed	Treasurer Kim Wimberly	Member at Large Benson Turner
---------------------------------	-------------------------------------	-------------------------------	----------------------------------	---

Treasurer Change

Ashley Boone resigned from the role of treasurer because of the time involved in the position. Thanks to Ashley for her dedicated service to our neighborhood. Kim Wimberly has kindly agreed to serve as treasurer until our next annual meeting.

Pool News

The pool will be open until the end of the September. Lifeguards will serve on weekends during that time.

Please supervise your very young children in the bathrooms. Paper towels have been flushed down the toilets and caused seriously disgusting clogs that a plumber had to fix.

If you bring food to the pool, please clean it off the concrete area. We have had lots of flies and the number one recommendation of the exterminator was that people pick up their food.

Dues and Liens

Please pay your dues and any late fees as soon as possible. Because of the large number of outstanding fees, we are going to have file liens against homes with past due balances on August 30.

Parties

Thanks to Benson Turner for planning and executing the Fourth of July party and the Back to School party. We had big crowds at both and everyone had a great time!

Communications

Four people said they were interested in receiving the newsletter electronically. I need a lot more neighbors to do this. Are you interested in receiving the newsletter electronically? If you are, please email Alex at secretary@forestbrookhoa.org

Tennis Championship

Congratulations to the Tally Greens Women's ALTA B-4 tennis team for winning the city championship. Three Forest Brook residents, Mirna Torres, Juli Eschenbach and Monika McGahee, are on this team!

Soliciting

Neighbors have been asking for a No Soliciting sign at the front of the neighborhood due to the large number of solicitors lately. However, Cobb County code states that you must have a No Soliciting sign at your house in order to stop solicitors. Also, solicitors must have a permit from Cobb County to operate. If not, you can call the authorities.
