Projects

The pool has a great new parking area. Please note the painted lines and new signs! New toilets have been installed in the pool area. The fence will be painted in the next few weeks.

Pool Reminders

The pool is open. Please remember:

- Lifeguards are present from 1-5 p.m.
- Children twelve to fifteen may swim without a parent if a lifeguard is present.
- Children sixteen and older can swim without a parent at any time.

Please try to keep the pool area neat. Remind your kids to flush the toilets in the bathrooms. When you leave, please close your pool umbrella and throw away your trash. Please don't park in the No Parking zone.

Traffic Speed

Please remember to **SLOW DOWN** driving through the neighborhood. I have seen a lot of speeders lately. Speed limits are 25 miles per hour. Our neighbors are outside taking advantage of the beautiful weather so please keep your eyes open and your foot off the gas!

Fence

Fencing was removed at the front of the neighborhood at the direction of the county.
