### Halloween Party

Forest Brook will host a Halloween party for neighborhood children and their families on Saturday, October 29. There will be fun and games and food!

Jacquelyn Syas is looking for neighbors to help plan social events, including this Halloween party! If you are interested in helping plan FB social events, please email Jacquelyn at

[boardmember@forestbrookhoa.org](mailto:boardmember@forestbrookhoa.org)

### Trick or Treating

Traditionally, Forest Brook kids and their parents gather at the pool on Halloween to trick or treat together starting around 7:00 p.m. If you are interested in eating pizza first around 6:30, please have a little cash on hand and let Alex Reed know at [secretary@forestbrookhoa.org](mailto:secretary@forestbrookhoa.org). If you have already responded on Facebook, you don't have to respond twice!

### Pool

The pool will close on October 1. Please make sure that you tidy up after yourself if you use the pool between now and then.

### Help for Neighbors

Do you know a neighbor who is having trouble with yard work or similar chores due to illness or infirmity? Please let a board member know. Our emails are at [www.forestbrookhoa.org](http://www.forestbrookhoa.org)

### Politics

As you all are aware, this is a heated political season. Some neighbors have signs in their yards showing support for the candidate of their choice. Whether you agree or disagree with that candidate's views, please tell **everyone** in your household to have respect for our neighbors' personal property and freedom to support whomever they wish. Vandalism of another neighbor's property will not be tolerated in this neighborhood.

### Coach Rod's Tips

You can take 12,270 steps playing 60 minutes of tennis. 6135 in 30. Wow. Try counting on your next walk your steps and see how far you have to go to do even 15 min worth. Hmm...another reason to stay home and play tennis!
